

# **Procedures for Handling Material Inside Information and Regulations on Insider Trading Of CHC Healthcare Group (The “Company”)**

## **Article 1 Purpose**

The Procedure and Regulation are specially adopted to establish sound mechanisms for the handling and disclosure of material inside information by the Company, prevent improper information divulgation, encourage all the employees of the Company to act in line with relevant laws of insider trading and to ensure the consistency and accuracy of the Company’s information for public release.

The Company shall implement its handling and disclosure of material inside information in accordance with relevant laws and the Procedure and Regulation.

## **Article 2 Applicability**

1. A director and managerial officer of the Company, a natural person designated to exercise powers as representative pursuant to Article 27, paragraph 1 of “Company Act” and shareholders holding more than ten percent of the shares of the Company. In calculating the shareholding, shares held by its spouse and minors and those held in another person's name are included.
2. Any person who has learned the information by reason of occupational or controlling relationship.
3. A person who, though no longer among those listed in one of the preceding two subparagraphs, has only lost such status within the last six months.
4. Any person who has learned the information from any of the persons named in the preceding three subparagraphs.
5. An employee of the Company.

## **Article 3 Authority: Finance Accounting Department**

1. Be responsible for establishing and maintaining data files regarding to shareholdings of applicability above.
2. Be responsible for preserving all documents and relevant information after release of material inside information.

## **Article 4 Risk Assessment**

1. Any material inside information be divulged before public release, thereby causing damage to any property or interest of the Company.
2. Any insiders not faithfully comply with applicable regulations regarding to equity trading, thereby causing the Company be punished for violating laws by the competent authority.

## Article 5 Procedures

1. The Company's directors, managerial officers, and employees shall exercise the due care and fiduciary duty of a good administrator and act in good faith when performing their duties. No director, managerial officer, or employee with knowledge of material inside information of the Company may divulge the information to others before official public release. No director, managerial officer, or employee of the Company may inquire about or collect any non-public material inside information of the Company not related to their individual duties from a person with knowledge of such information, nor may they disclose to others any non-public material inside information of the Company of which they become aware for reasons other than the performance of their duties.
2. Any organization or person outside of the Company that is involved in any corporate action of the Company relating to a merger or acquisition, major memorandum of understanding, strategic alliance, other business partnership plans, or the signing of a major contract shall be required to sign a confidentiality agreement, and may not divulge to another party any material inside information of the Company's thus acquired.
3. The Company shall comply with the following principles when making external disclosures of material inside information and record properly:
  - (1). The information disclosed shall be accurate, complete, and timely.
  - (2). There shall be a well-founded basis for the information disclosure.
  - (3). The information shall be disclosed fairly.
4. Any disclosure of the Company's material inside information, except as otherwise provided by law or regulation, shall be made by the Company's spokesperson, or by a deputy spokesperson acting in such capacity in a confirmed sequential order. When necessary, the disclosure may be made directly by a responsible person of the Company. The Company's spokesperson or deputy spokesperson shall communicate to outside parties only information within the scope authorized by the Company, and no personnel of the Company other than those serving as the Company's responsible person, spokesperson, or deputy spokesperson may disclose any material inside information of the Company to outside parties without authorization.
5. If a media agency releases information that is in any respect inconsistent with material information disclosed by the Company, the Company shall promptly issue a clarification on the Market Observation Post System (MOPS) and, if necessary, request the media agency to correct the information.
6. Any director, managerial officer, or employee of the Company that becomes aware of any divulgence of the Company's material inside information shall report to Finance Accounting Department and Auditing Office of the Company as soon as practicable. Upon receipt of a report abovementioned, Finance Accounting Department shall

formulate corresponding measures and report to the President. When necessary, it may invite members from Auditing Office and other departments to meet for discussion of the measures, and shall keep a record of the results of the measures for future reference. Auditing Office shall also perform such audits as their duties may require.

7. The Company shall take measures to discover those responsible and take appropriate legal action against any personnel under either of the following circumstances:
  - (1). Personnel of the Company disclose material inside information without authorization to any outside party, or otherwise violate the Procedure and Regulation or any other applicable laws.
  - (2). A spokesperson or deputy spokesperson of the Company communicates to any outside party any information beyond the scope authorized by the Company, or otherwise violates the Procedure and Regulation or any other applicable laws.
  - (3). If any person outside the Company divulges any material inside information of the Company, thereby causing damage to any property or interest of the Company, the Company shall pursue appropriate measures to hold the person divulging the information legally liable.

#### 8. Scope of Material Inside Information

Information that will have a material impact on the price of the securities: information relating to the finances or businesses of the Company, or the supply and demand of such securities on the market, or tender offer of such securities, the specific content of which will have a material impact on the price of the securities, or will have a material impact on the investment decision of a reasonably prudent investor.
